About me

React Developer with over 5 years of experience.

Hi, I'm **Felix**. I'm a System Engineer from Caracas, Venezuela. I'm 28 years old and I have been working as a React Developer since 2019. I'm able to describe myself for being really honest, detailed, responsible and active in terms of work. I'm into doing things well.

I consider myself as a person who never gives up, I always try to overcome the obstacles and I try to stand out from others. I always try to help, support and learn from my coworkers to keep growing as a professional and as a human being.
