---

More than 5 years of experience as a FrontEnd Developer with React. Passionate about clean code, best practices, and continuous improvement. Led refactoring and optimization of the core component library at Channel Payments, significantly improving usability and ease of use across projects.

***Main Stack**: React, Typescript, Next.js, Tailwind CSS.*

PROFESSIONAL EXPERIENCE

Channel Payments   **Arizona, United States**
Senior Frontend Developer   *February – December 2024*

- Developed a library of reusable components and utilities for various company projects to ensure UX/UI consistency and accelerate the development and delivery of new products.
- Conducted risk and impact analysis for features in each sprint, leading to better planning and decision-making based on what added the most value to the company's product.
- Participated in frontend code review processes, providing feedback and requesting improvements aligned with best practices and development patterns.
- Implemented a payment management platform for easy visualization of transactions, customers, refunds, statistics, third-party integrations, and reports.

Wadara Servicios Tecnológicos   **Caracas, Venezuela**
Semi Senior Frontend Developer   *May – November 2021*

- Built an application to manage job interviews for an insurance company.
- Developed a mobile application to facilitate vehicle inspection for insurance purposes.
- Designed and developed a landing page for a 24-hour assistance service.

Servisenior   **Santiago, Chile**
Frontend Developer Junior   *September 2020 – April 2021*

- Maintained and migrated web products, such as transitioning from React to Next.js, for a company providing services offered by seniors (elderly individuals).

EDUCATION

UNIVERSIDAD SANTA MARIA   **Caracas, Venezuela**
Systems Engineering   *October 2020*
Thesis: Mobile application with geolocation for automated SMS dispatch.

SKILLS ADICIONALES

- HTML, CSS, Javascript, Git, RTL, Cypress, Astro, Prisma, Node JS, Postgresql
- Native Spanish speaker. Intermediate English.
